## IRISH GIN

Ireland is known for its whiskey but gin has been produced here for centuries, dating back to 1793 when Cork dry gin was first launched. Yet many distilleries were only producing gin as a stopgap while they waited for their whiskey to mature.

Keeping in mind Ireland's great history of distilling, creating a quality gin is part of the natural evolution of being inspired by the world.

## IRISH WHISKEY

“Irish whiskey (Irish: Fuisce or uisce beatha) is whiskey made on the island of Ireland. The word 'whiskey' (or whisky) comes from the Irish (or 'Gaelic') uisce beatha, meaning water of life.

*Irish whiskey comes in different types, including:*

## BLENDED IRISH WHISKEY

A rich and diverse style, encompassing many grains, techniques, and flavours. The Irish whiskey often hits its apex through blending with this rich palette—and right now might be considered the golden age of Irish Blended Whiskey.
