

Fitzpatrick
Castle Hotel

Thank you for your interest in Fitzpatrick Castle Hotel in Dublin for your forthcoming wedding reception. We would be delighted to be your chosen venue and can assure you of a very special day.

Located in the fashionable suburbs of Killiney and Dalkey, Fitzpatrick Castle is the epitome of elegance and charm, overlooking Dublin Bay and yet only twenty minutes from Dublin City Centre. Over its history, the 18th Century, 113 bedroom Castle has played host to many of Dublin and Ireland's prestigious Banquets and Weddings. With over 45 years of tradition in excellence, the Castle is recognised as one of Dublin's premier banqueting venues.

The Albert & Behan Suite can accommodate up to 180 people for dinner and dancing. The original banquet suite's entrance has recently been completely restyled to include a sweeping spiral staircase, hand crafted Irish designed copper and aluminium lighting, which tastefully compliment the atmosphere. The Prince Regent Suite – the Castle's largest suite – seats 300 people. Both rooms have their own private bar area and access to the hotel's gardens. Smaller dining rooms of up to 100 are available for those requiring a more intimate wedding with smaller numbers.

I am pleased to enclose some information on the hotel and our current banquet menu prices. I would be delighted to personally meet with you to show you your desired room and to discuss your requirements in more detail.

We never forget that it remains your day, therefore, we have a strict policy of only one wedding per day to ensure our full & undivided attention. We extend to you and your partner a beautiful bridal suite and breakfast with our compliments for your special day.

Our Executive Head Chef, has been with the Castle since the day we opened the front doors and is Ireland's longest serving Head Chef. He has a passion for great food and fantastic service and we have no doubt this will shine through on your wedding day.

Please give me a call on 01 230 5468 if you have any queries. We look forward to the opportunity of welcoming you to Fitzpatrick Castle Hotel.

Yours sincerely,

Jill Monaghan
